National Service Scheme

Life's most persistent and urgent question is- what are you doing for others? In today's fast paced life, where competition, prestige, precision, out-witting, corruption, apathy, hospitality, ignorance, contemptuousness and tech-tonic life have escalated beyond limits, NSS is where you derive satisfaction out of social work. Hence the tag line- NSS: 'Not Me But You'.

National Service Scheme (NSS) has been playing a key role in enriching the souls and minds of the students of the university since long time. The overall objective of this scheme is 'Education and Service' to the community and by the community. It is a Programme for students to develop the personality of students through community service.

Dr. Kamaljeet Kaur
Director

National Service Scheme (NSS) has been introduced at Ajeenkya DY Patil School of Engg since 2016-17 as a part of the academic programs and since then NSS has been functioning as a regular feature in the realm of our college education. The philosophy of the NSS is well doctrine in this motto, which under lines on the belief that welfare of an individual is ultimately dependence on the welfare of the society on the whole and Therefore for the national reconstruction and national resurgence it was deemed fit that the students and teachers should be properly sensitized and utilized for strengthening the Indian society as a whole with particular emphasis on rural community. Therefore, student youth, teachers and the community are considered as the three basic components of the National Service Scheme.
